Cyber Security Snapshot

INDUSTRY INSIGHTS - LATEST NEWS

Xmas 2020 – A huge Yule ‘incident’ Log for the roaring FireEye...

FireEye’s discovery of the SolarWinds hack found an attack on an unprecedented scale by nation-states, with breaches including the Pentagon and Microsoft.

As the news reverberated through the Cyber world and across mainstream media, a show of widespread support and respect for FireEye was evident - further bolstered by their transparency in publishing detailed information and analysis.

Markets followed suit as the FEYE share price dipped slightly before rocketing upwards.
