Connectivity Snapshot

INDUSTRY INSIGHTS - SEPTEMBER 2021

How is year-end 3 months away?!

As you can see, there has been no slowdown in news in the Connectivity space over September but how on earth is the end of the year only a quarter away?!

This year has flown by, and in Connectivity that has been highlighted in humungous news, mergers and acquisitions across the space, but more importantly, we see no slow down happening over the next quarter.

It still feels a little too early to mention Christmas but it really is not too far away!

In this issue:

What on earth will Smart Cities look like by 2026?

Rakuten has continued its focus on partnerships

Casa Systems

Rakuten

Sierra Wireless

Airspan Networks

Mavenir

Parallel Wireless

AVIWEST

What on earth will Smart Cities look like by 2026?

We loved this Op-Ed piece on what Smart Cities could look like in 5 years but more importantly how they would get to that point.
