Featured Articles

TeleWorldSolutions

Bhupinderjit Mann Revolutionises Connectivity Innovation

Bhupinderjit Mann, TeleWorld Solutions' Chief Services Officer, revolutionized the company's connectivity offerings by leveraging specialized expertise.

He spearheaded AI-driven automation tools, unveiled the H2 algorithm for 5G network design, and launched the One-Click C&I platform.

His leadership fueled 300% growth as Samsung's independent subsidiary, fostering collaborative, solution-oriented network deployment innovations, dramatically accelerating service delivery timelines.
