

# Satellite & NewSpace Industry Snapshot

## Strategic Advances and Stellar Ambitions in Satellite & NewSpace

This month showcases a compelling blend of defence collaborations, governmental tech demonstrations, and industry-defining missions.

From ICEYE's partnership with the Polish Armed Forces to EnduroSat's major funding round to accelerate ESPA satellite production, the spotlight is firmly on innovation and strategic utility. With NASA launches, multi-launch deals, and significant funding rounds, May is shaping the trajectory of space's future.

### Featured Episode

Bringing Value to the Crowded Satellite Space, Felix Motzki, CTO of Reflex Aerospace

### Featured Articles

Our pick of featured articles from across the industry.

## ICEYE

### Enhanced Security with ICEYE's SAR Satellites for Poland

### EnduroSat Accelerates ESPA-Class Satellite Production with €43M Boost

### Featured companies in this issue:

ICEYE	Impulse Space
EnduroSat	XOOPLE
Sierra Space	Rocket Lab
SES	NASA

### Companies in Focus - Q2 2025

What companies are we most excited about in the Satellite & NewSpace industry.

# Featured Articles

## ICEYE

### Enhanced Security with ICEYE's SAR Satellites for Poland

A new agreement between ICEYE and the Polish Ministry of Defence will deliver synthetic aperture radar (SAR) satellite capabilities, boosting the nation's situational awareness.

This move also reflects ICEYE's growing reputation in providing sovereign satellite solutions and near real-time earth observation imagery.

## Bringing Value to the Crowded Satellite Space - Episode 51 - Felix Motzki, CTO of Reflex Aerospace

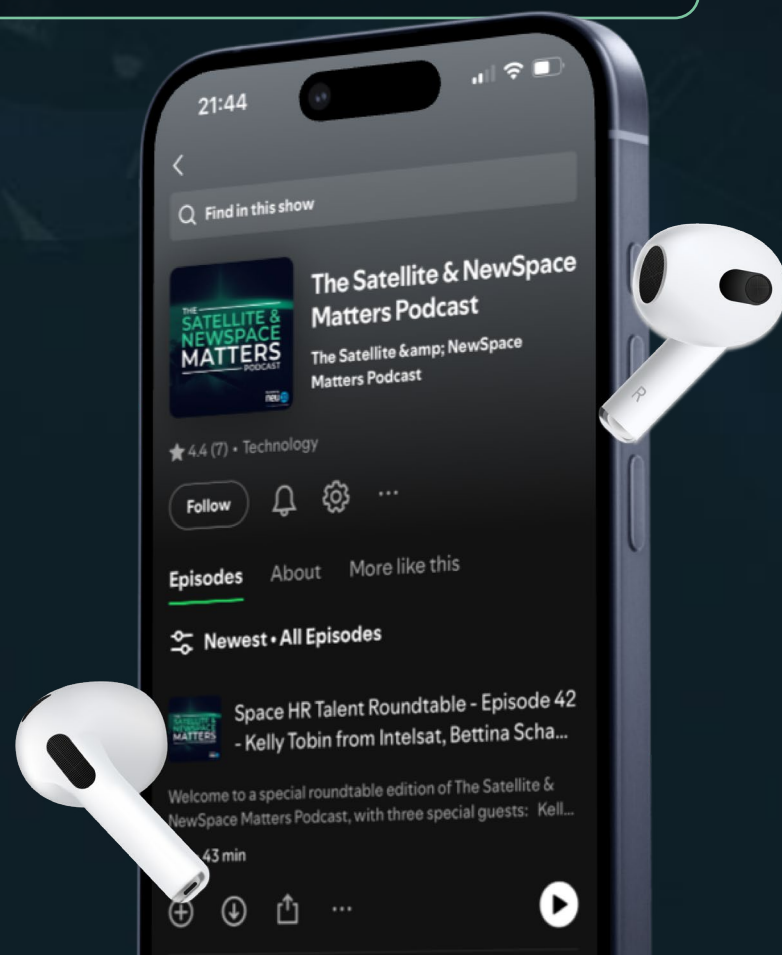

How can you be sure you're hiring the right person in an early-stage space company? In this episode, you can hear from Felix Motzki, the CTO of Reflex Aerospace, about his candidate screening methods and the impact they have on Reflex's workforce. Our conversation also touched on the state of the European space sector and the reason it's falling behind American and Chinese markets.

## Passionate about Space Technology, Exploration & Innovation?

We feature conversations with industry experts in the Satellite & NewSpace sector, including C-suite executives, thought leaders and innovators from global organisations.

From exploring lunar missions, discussing satellite manufacturing challenges, or addressing the importance of space sustainability, The Satellite & NewSpace Matters Podcast provides valuable perspectives for professionals in this dynamic field.

# Looking to grow & hire?

We're passionate about providing you with the best possible recruitment service, and delivering results.

Whether you want to find your perfect candidate, reduce your cost to hire, or engage your next leader, we can help.

## Specialist Recruitment

**Are you searching for the perfect candidate?**

Expert global recruitment for senior and specialist roles, ensuring rapid, thorough searches to find the ideal candidate.

[Explore Service](#) ↗

## Multi-Hire

**Do you want to reduce your cost to hire?**

Streamline hiring multiple roles with up to 35% cost savings, faster processes, and dedicated recruitment expertise.

[Explore Service](#) ↗

## Executive Search

**Do you want to unearth your next leader?**

Discover top leadership talent through tailored global searches, with a results-based approach focused on long-term success.
